Auto Accident Case Agreement

We gladly accept auto accident cases involving insurance and/or attorneys. Complete information will be expected within five (5) days of your FIRST appointment. Not all policies cover chiropractic care. We will verify your coverage for you, however, you will be expected to pay for all services until the verification is complete. Patients are expected to pay a percentage of their daily visit at the time of each visit unless other arrangements are made in writing. If insurance pays for the visits, the patient will be reimbursed.

AT FAULT:

If you have medical coverage under your automobile insurance, we will bill your company directly. If you do not have medical coverage, we will work out a payment plan to cover your services.

NOT A FAULT:

If you do not have such coverage that will pay all of your medical expenses, then you will be required to sign a Lien and go to one of our recommended attorneys. At times it is necessary to retain an attorney to protect your interest and settlements are made through your attorney's office without payment directly to this office. In these cases, we ask that your signature be given to secure our interest and payment in a long-term billing of services. Otherwise, you will be expected to pay for all services at the time they are rendered and then you can be expected to pay for all services at the time they are rendered and then you can be reimbursed from the at-fault insurance company.

REGARDING: Chiropractic Adjustments, Modalities, and Therapeutic Procedures:

I have been advised that chiropractic care, like all forms of health care, holds certain risks. While the risk is most often very minimal, in rare cases, complications such as sprain/strain injuries, irritation of a disc condition, and although rare, minor fractures, and possible stroke, which occurs at a rate between one instance per one million to one per two million, have been associated with chiropractic adjustments.

Treatment objectives as well as the risks associated with chiropractic adjustments and, all other procedures provided at Cumming Chiropractic Center have been explained to me to my satisfaction and I have conveyed my understanding of both to the doctor. After careful consideration, I do hereby consent to treatment by any means, method, and or techniques, the doctor deems necessary to treat my condition at any time throughout the entire clinical course of my care.
